

1H GRAND PRIX

Our full-length 'premium' race package is recommended especially for corporate groups who wish to entertain clients or organize a memorable team building day for their staff. 60min of track time is divided into three parts: Practice / Qualifying / Race, with small breaks in between. Drivers will line-up on the grid and start with F1-style lights for the race and the winner will be the first one to cross the finish line. Suitable for up to 14 drivers

OPTIONAL ADD-ONS

Prize ceremony

Make your racing experience complete with adding trophies, medals and/or sparkling wine for the best placed drivers like they do at the very biggest stage of motorsport (check prices below).
